Booking a kit for Book Clubs

1. Access library website at library.wanneroo.wa.gov.au and login using your **book club's** Borrower Number or Username and password (PIN). This will take you to "My account dashboard" screen.

The screenshot shows a login modal window on a dark blue background. At the top right of the modal are links for "Register" and "Login". The main heading is "Login using your library account". Below this is a label "Borrower ID or username:" followed by a text input field containing "TT123BC". A note below the field states "Your borrower ID is the barcode from your library card." The next label is "Password:" followed by a password input field with four dots. A note below the field states "Your password must be 2-10 characters long and contain only alphabetic characters and numbers." At the bottom of the modal is a blue "Login" button. Below the button are two links: "Forgot your password?" and "Not a member? Register now".

2. Select the **Book Group Kits** menu on the left hand of the screen. This will take you to the search page for the kits. You can search by title, author or by the required dates.

The screenshot shows a search results page. At the top, it says "Period required: 30/5/2022 - 6/6/2022". Below this is a "Filter results" section with "And" selected and "Net" unselected. A "Showing 1 - 20 of 158" indicator is present. The results are displayed in a list. The first result is "419 / Will Ferguson." with a thumbnail and a "Box Set" icon. The second result is "A dog's purpose / W. Bruce Cameron." with a thumbnail and a "Box Set" icon.

3. This will bring up information on the kits available.
4. Once you locate the kit you wish to book, select the **Place booking** button on the right of the title.
